Selectmen's Meeting

Effective March 1, 1966, the Selectmen will hold their regular meetings on the second and last Tuesday of each month at 8 p.m.

INVENTORIES

The Selectmen will receive inventory blanks and hear parties regarding their liability to be taxed at the Town Office from 2 to 5 p.m. on Saturday, April 8, 1967. Note that no appeals for abatements can be considered unless a completed inventory blank has been filed with the Selectmen by April 15.

Board of Selectmen

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Warner in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Warner on Tuesday, the fourteenth day of March, next at three of the clock in the afternoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the Town will vote to adopt the Zoning Ordinance proposed by the Warner Planning Board.
4. To see if the Town will authorize the Selectmen and Town Treasurer to borrow money in the anticipation of taxes on the note or notes of the Town, payable on or before December 31, 1967.
5. To see if the Town will authorize the Selectmen to sell property taken for taxes.
6. To hear reports of the Officers of the Town heretofore chosen and Committees appointed and pass any vote relating thereto.
7. To see if the Town will vote to raise and appropriate the sum of Seven hundred Fourteen Dollars (\$714.00) towards payment of the Concord Hospital deficit.
8. To see if the Town will vote to appropriate the sum of Ten Thousand Dollars (\$10,000.00) for the purpose of purchasing new equipment for the Town Highway Department, the sum of Twenty Five Hundred Dollars (\$2,500.00) to be raised by taxation in the year 1967 and the

Board of Selectmen and the Town Treasurer be authorized to borrow the remaining amount not exceeding Seventy Five Hundred Dollars (\$7,500.00) on note or notes of the Town to be paid off in the sum of Twenty Five Hundred Dollars (\$2,500.00) plus interest annually until said note or notes are paid in full.

9. To see if the Town will accept from the Warner School District all ski tow equipment moved to the new ski tow site from the old one.

10. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this fifteenth day of February, in the year of our Lord nineteen hundred and sixty-seven.

REPORT OF FIRE DEPARTMENT

As Fire Chief, I herewith submit the following report of the Fire Department for the year 1966 to the Fire Commissioners and Selectmen:

Sunday Standby Duty — 20 Sundays

12 Meetings and 12 Drills

Standby Duty — Halloween and July 4th

8 Resuscitator Calls

5 Splint Calls

1 Standby power failure, power plant operated at Fire Station and also radio.

Fires:

8 chimney, 1 Chair fire, lawn mower, 2 cars, 4 building fires, 5 calls to dump, 1 out of town fire, answered 6 grass and forest fires, checked 3 smokes.

15 oil permits and inspections issued.

2 Firemen attended fire school at Meadow Wood, 2 firemen and 2 officers attended fire school at Lily Pond.

15 men attended 10 hours fire school given by officers of the Department.

At meetings and drills, instruction and practice was given in fire suppression and rescue work.

The Fire Department is grateful to Miss Virginia May for the gift of a large oxygen tank, stand, and gauge. This was of great benefit to a former Fireman.

On behalf of the Fire Department, I would like to thank the Commissioners, Selectmen, and the people of Warner for the fine cooperation and assistance given to the Fire Department.

MAURICE F. RANDALL

Chief

FIRE RECORD

Fire records are made by people — those who cause fires and those who control them. Your forest fire warden, deputy wardens, fire chief and firemen have, in spite of a prolonged drought, made one of the best fire control records in recent years. Despite a very dry spring, we in New Hampshire working together, have substantially reduced our fire incidence (855 in 1965 to 595 in 1966.)

This enviable record is largely due to two factors:

1. A closely coordinated and integrated state-town organization jointly carrying out programs of forest fire prevention, training and suppression with dedicated personnel.

2. Your appreciation of our forest fire control program and your individual effort in practicing fire prevention.

Statistics show, however, there is room for improvement. Major problems are still with us; (1) the careless disposal of cigarettes; (2) the householder's carelessness in burning rubbish; (3) the failure of woodlot owners and contractors to completely extinguish their brush burning fires; (4) failure to extinguish camp fires; (5) unsupervised children playing with matches.

New Hampshire has 4,339,000 acres of woodland to be protected. In 1966 we experienced 595 forest fires on this area and restricted acreage burned to 395 acres — a fine testimonial to the efficiency and dedication of the men who make up our forest fire control organization.

1. If you must burn you will need a permit. Permits are not issued between 9:00 A.M. and 5:00 P.M. except on rainy days. Permits are not needed when the ground is covered with snow. To minimize risk the best way to dispose of rubbish is at your authorized town or municipal dumping area.

2. Be sure all discarded smoking material is out.

3. Don't leave a live camp or cooking fire.

4. Most important — Instruct your children that matches are not play things.

Truly — Only You Can Prevent Forest Fires

REPORT OF THE POLICE DEPARTMENT

Warner has again this year had its share of breaks and entries. This, with malicious damage and vandalism, accounts for several thousand dollars in losses. A large part of this loss has been suffered by the highway construction companies who are working in the area on Interstate Route 89.

One important sidelight to the above-mentioned construction project has been in Lower Warner at the junction of Route 103 and Webster Road. It has been a very confusing junction, especially to out-of-staters. Accidents have occurred at this point. Your Police Department has spent much time patrolling this section. The entire length of construction of Interstate 89 in Warner has taken a great deal of the Chief's time assisting as escort for heavy equipment over the highways; investigating various accidents and complaints; as well as trying to secure men to do traffic duty.

It might be of interest to the townspeople to know that more than \$12,000 was paid to traffic officers (not the Chief) on this project during 1966. Of this sum, all but about \$1,800 was paid to residents of the Town.

These posts have not been easy to fill. The men who have taken the jobs are to be commended since the work is dirty and must be carried out in all extremes of weather. The cooperation of the State and construction engineers, along with the Superintendents of the various contracting companies, has been greatly appreciated by this Department.

The following list of activities will show that the demands upon this Department are becoming increasingly heavier.

Breaks and Entries	28
Auto Accidents investigated	38
Hit and Run	1
Domestic	19
Vandalism and malicious damage	6
Suspicious cars or persons checked	17
Complaints regarding dogs	26
Bad checks	3

Other Departments assisted	21
Superior Court	4
1 Civil	
3 plead guilty	
District Court	10
11 charges entered — all plead guilty	
Stolen motor vehicles recovered in Warner	2

The Town should give a lot of serious thought to providing, in the very near future, transportation for the officers in the performance of their duties, instead of asking the officers to stand the wear and tear on their own vehicles for the town's use.

The cooperation of the Selectmen, State Police, Departments throughout the State has been of great help to us. As in the past, we are most appreciative of the support given us by residents and non-residents, alike, who respect the job we are all doing our best to accomplish for them.

REPORT OF THE PLANNING BOARD

This year has been the busiest and most productive since the inception of the Planning Board, some four years ago. Outwardly, you may not agree with the preceding statement as visible results may not yet be apparent.

Your Planning Board held approximately 20 meetings during the past year averaging four hours each with numerous conferences between the regular meetings.

It was indicated at the 1965 town meeting that the Planning Board should direct its efforts toward a Zoning Ordinance. We have done this and two public hearings required by State Statute were held on this ordinance. We believe that this ordinance is the minimum that the town should adopt for a start with additions or deletion to come at future meetings.

It is anticipated that the Planning Board will adopt the Warner Town Plan prior to the 1967 Annual meeting. Because of the cost of printing the Town Plan there will only be a limited supply available. These will be at the Pillsbury Library and may be borrowed for one week.

As this is my last year as Chairman of the Planning Board and possibly as a member of the Board, I would like to take this opportunity to publicly thank Dick Brown, Ted Bliss, Manley Glanville, Rees Hanbury, John Hill and Leland Slayton for their excellent work and support during the past years.

The Board expresses its gratitude to the precinct officers, Selectmen and all the Town Officers and individuals who have given their time and energy to help the Planning Board in their efforts.

Once again we ask your continued support in the efforts of the Board so that we may accurately reflect the desire of the town, to insure orderly progressive growth, and still maintain its natural environment.

PAUL J. COLLINS

Chairman

LIBRARIAN'S REPORT OF THE PILLSBURY FREE LIBRARY

To the Trustees of Pillsbury Free Library:

At the annual Town meeting, Miss Miriam Savory, Mrs. Annie Cogswell, and Mr. Anthony D. Hamilton were elected to the Board of Trustees.

In the Spring, A "Friends of the Library" group was formed. Their purpose to promote the cultural aims of the library in the Town of Warner and to assist in the extension services proposed by the librarian. The Friends have 39 members.

Activities at the library this year include the following:

Open House during National Library Week in April. The Open House was attended by more than 100 people to see the completion of the renovations and improvements of the library. The 1st grade pupils also visited the library during the week.

The American Legion Poppy posters were displayed in May. These posters were made by the graded school pupils.

On July 5, the Children's Reading Program started. The Friends of the Library assisted with this and had a story hour every Tuesday afternoon. 30 children registered for the reading program.

At the Fall Foliage Festival, the library exhibited books written by Warner authors.

During Book Week, the library exhibited some old and rare children's books written by Warner authors. The pupils of the Warner Graded School visited the library.

With the help of the Friends of the Library we are having a Film Hour for children once a month.

The librarian and trustees have attended many workshops and meetings during the year sponsored by the State Library Development Service.

11,603 books have been loaned this year. 578 new books have been added.

The Civic Improvement Committee of the Warner Woman's Club lighted the tree on the library lawn at Christmas.

For donating books, magazines, pamphlets, pictures, and other material we wish to thank the following: Mr. John P. H. Chandler, Jr., Mrs. Rees Hanbury, Miss Faye Emerson, Mrs. Henry Frost, Mr. William Dowling, Mr. and Mrs. John Taylor, The Family of Mrs. Fred Savory, Mr. L. Carl Nichols, Mr. William Proper, Miss Marion Derry, The Peirce Family, Mr. Harold Dow, The Flagg Family, Mrs. Roger Bates, Miss Florence Harris, Mrs. L. H. WARNER SCHOOL DISTRICT
REPORT OF THE SUPERINTENDENT
OF SCHOOLS

With the creation of the new Kearsarge Regional School District it seems somewhat redundant to make any sort of assessment of the past, present and future of the Warner School District. Even so, it behooves me to say the opportunities that will be made available to Warner's young people will be such that each will receive the chance for an educational experience that would be difficult, if not impossible, to obtain under our present mode of organization.

Warner had a very small faculty turn over this year. In the Grade School Miss Virginia Banfill was elected to replace Mrs. Barbara Callahan in grade two. At the High School Mrs. Jean Mollineaux assumed the position vacated by Mrs. Anne James in the English Department. Robert Bailey retired from teaching and Donald Smith was hired to replace him as teacher of industrial arts. The administrative responsibility for Simonds Free High School was assumed by Mr. Finley with assistance from Mr. Lovejoy. This change necessitated a revision of teaching assignments so that Mrs. Shirley Brown was hired on a part time basis to teach a number of courses in the social studies department.

Because of the impending district reorganization there were very few changes to the curriculum offered in the schools. Three areas worthy of note were introduced, however. The first was the introduction of a new course in the science department entitled Introductory Physical Science. This course replaces one known as Senior Science. This course provides students in the general curriculum an opportunity to have a laboratory oriented course wherein the emphasis is on discovery of scientific concepts rather than the more traditional approach of learning the concept then working in the lab to see if it is true. A second

course added this year was labeled Advanced U. S. History. The approach embodied in this course is to encourage the student to adopt good habits of independent study, to be able to read and interpret a variety of readings related to a particular topic in American History and to be able to discuss the efforts of the latter two objectives in a seminar setting with other students. In both instances the primary objective is to develop within each student a sense of responsibility in doing school work. The third new program is the tutorial program at the elementary school made possible through funds provided under Title I of Public Law 89-10. This program, under the direction of Mrs. Carol Shaw, has made possible individualized instruction in reading for those students whose class work has indicated such a need. It is generally agreed many students have received some very valuable instruction from this program, and have been able to show progress in their regular classes as a result.

These are, perhaps, meager beginnings, but they are forerunners of what can be a very exciting program for the future.

If you will permit me one personal note, I would like to express my appreciation for the excellent cooperation I have received from the School Board, Faculty and Citizens of Warner since I assumed this position. For this I am deeply indebted.

Respectfully submitted,

DOUGLAS H. BROWN

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School district in the Town of Warner qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the seventh day of March at 8 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator to serve until July 1, 1967.
2. To choose a Clerk to serve until July 1, 1967.
3. To choose a member of the School Board to serve until July 1, 1967.
4. To hear reports of Agents, Auditors, Committees or Officers chosen and pass any vote relating thereto.
5. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
6. To see if the District will raise and appropriate a sum not to exceed sixty five hundred dollars (\$6,500.00) to cover a deficiency incurred in meeting the principal and interest payment for the Additions to the Simonds Free High School and the Warner Grade School, such sum to be paid over to the District Treasurer prior to June 30, 1967.
7. To see if the District will vote to authorize the School Board to convey to the Kearsarge Regional School District, by Quitclaim Deed, land and buildings formerly known as the Warner Ski Area.
8. To see if the District will vote to direct the Treasurer to pay over to the Treasurer of the Kearsarge Regional School District any cash balance in her hands or money due the District as of July 1, 1967, or thereafter, less any outstanding bills or debts; any sum so transferred to be used as a credit against the Regional School District assessment to be raised by the pre-existing Warner School Dis-

trict to defray its share of the cost of operation of the Regional District during the first year of operation.

9. To see if the District will vote to authorize the School Board to make disposition of all school records.

10. To see if the District will authorize the School Board to convey to the Town of Warner all equipment of the Warner Ski Area that was moved from the old area to the new area.

11. To transact any other business that may legally come before said meeting.

Given under our hands at said Warner this 20th day of Feb. 1967.

REPORT OF KEARSARGE REGIONAL SCHOOL BOARD

On May 2, 1966 the citizens of Bradford, Newbury, New London, Springfield, Sutton, Warner, & Wilmot voted final approval of the formation of the Kearsarge Regional School District. The first official meeting of the new school district was held on July 19, 1966. The voters of the district raised and appropriated the sum of \$24,900. for the operation of the district until July 1, 1967. Among other things the voters authorized the school board to "make a survey of building needs, to take options if necessary, to engage the services of an architect, an attorney, and to employ such other consultant services as may be deemed necessary, to make topographical surveys and to take such borings as may be required, and to do all other things necessary to enable the board to make a report and recommendations to the district."

The Kearsarge Regional School Board does not assume operating responsibility until July 1, 1967, at which time the presently-existing school districts in the seven towns will cease to function. Since its election in July the Regional School Board has been preparing for this responsibility, and making plans for the new school buildings which will be needed by the district. Elected Chairman was William Neumann of New London, with James Hansen of Bradford as Vice Chairman. Selected as Clerk was Mrs. Annette Stevens of Wilmot, who was succeeded in January by Mrs. James O'Rourke of Warner. Mrs. Evelyn Kiernan of New London is Treasurer of the district.

In January Mr. Neumann resigned from the School Board after accepting a position in Connecticut. Replacing him as Chairman was James Hansen of Bradford, with Donald Mitchell of Sutton as Vice Chairman. Appointed to represent New London in Mr. Neumann's place was Dr. Anne Wasson; this appointment is for the period up to the next annual district meeting.

Several important sub-committees of the board have been named, and have been hard at work. These sub-committees include those on Salary Schedules, Policy, & Architect Selection.

One early and significant decision of the board was to engage the services, at a cost of $\frac{1}{2}$ of 1% of the bond issue, of the Educational Consultant firm of Engelhardt, Engelhardt, & Leggett of New York, one of the leading such firms in the country. Serving as this firm's consultant to the board is Dr. Edward Macbeth, who has spent many days in the district studying its problems and its plans for the future.

The Engelhardt firm has been engaged primarily in order to provide expert counsel to the board concerning building problems. Studying the original building proposals of the Kearsarge Regional School Planning Board, the firm has conceded their practicability, but has recommended an alternative approach. The board, after very careful consideration, has unanimously accepted the new proposal. The board will recommend that the district accept this plan, which calls for the construction of an entirely new high school building (9-12) on a new site as yet unselected, and the use of the present New London Central School for New London's first five grades and as a Middle School (6-8) for the entire district. The board believes this plan allows more flexibility for the future, and that it is a more sound approach educationally. Elementary building proposals are still under study.

On the date of operating responsibility the district will come under the jurisdiction of Supervisory Union No. 43, with offices in Newport. The Superintendent of Schools is Gordon B. Flint, who is aided by Assistant Superintendent, James Leh (who began work in December), and Teacher Consultant Alphonse Soucy. It should be emphasized that Mr. Flint has been working closely with the board since

July, and that until next July Mr. Leh is working exclusively for the Regional School District.

In March or early April the Kearsarge Regional School Board will be holding one or more meetings of the district. At these meetings approval will be sought for (1) the operating budget for 1967-68, (2) changes in the Articles of Agreement to reflect the recommended new building plans, & (3) a bond issue for new construction. Every opportunity will be taken to keep the voters informed of progress in these areas prior to the meetings.

Respectfully submitted,
Kearsarge Regional School Board
